The HCM Private Wealth Services division is designed for high net worth business owners seeking a personalized approach to investing, tax reduction strategies, business planning solutions, legacy strategies, and retirement opportunities. Through a tailored investment strategy, we aim to help business owners reduce their taxes, protect their savings, and optimize their returns. HCM has established a relationship with an unaffiliated provider of tax savings advice. There is a possibility that the third party entity may refer clients to HCM for investment advisory services, creating a conflict of interest, as recommendations to utilize the services of such third party may be made in the interest of receiving future advisory referrals, rather than basing such recommendation on a particular client's needs. HCM does not serve as a law firm or accounting firm, and no portion of its services should be construed as legal or accounting services. The client is under no obligation to engage the services of any third-party service provider recommended by HCM. Please Note: If a client engages any recommended unaffiliated professional and/or entity, and a dispute arises thereafter relative to such engagement, the client agrees to seek recourse exclusively from and against the engaged professional and/or entity.
